# THE CITY OF WESTON MAP & GUIDE 2015-2016

## WELCOME

*To Our Residents, Business Owners and Visitors –*

*In a continuing effort to ensure information is at your fingertips, the City of Weston is pleased to provide you with this complimentary 2015-2016 Map & Guide. Complete with a detailed street map, contact information for the City Commission and city departments, as well as an easy to use parks chart and recreation information, the Map & Guide is a convenient information resource.*

*Weston has received international attention for being one of the country's largest master-planned communities and for its progressive form of contractual municipal management. The City of Weston chose to provide services to its residents and businesses through public and private sector contracts rather than through the traditional method of having numerous employees. This "contract" method of providing services enables the City to acquire and delete the amount of service it needs at any specific time; to do so in a competitive environment; and to operate without maintaining burdensome overhead. This is why you will see different providers listed under the various departments and services section of this guide.*

*The City has a wide-range of residential communities within a city known for its quality public safety and low crime rate, top rated public and private schools, a meticulously landscaped environment, superior parks and recreation system, world-class health care facilities, and a diverse and involved population and corporate community. Weston prides itself on supplying residents and visitors with an unparalleled lifestyle, meeting all of your needs within the confines of the community. **We encourage you to take advantage of all that Weston has to offer.***

## FLOODING

### FLOOD INSURANCE

Most homeowner insurance policies DO NOT cover loss due to flooding. You need a flood insurance policy. Property owners can insure buildings and contents; renters can insure possessions. The City of Weston participates in the National Flood Insurance Program (NFIP) to provide city property owners with the initial qualification to purchase flood insurance and qualifies properties in Weston for a 15% discount.
