Register Now! Hurricane Season is June 1 – November 30

Vulnerable Population Registry

The Vulnerable Population Registry is a program that allows people who would be at risk following an emergency to register in advance so that emergency workers may plan a better response during a recovery effort. The Registry is a joint partnership between municipalities and Broward County. Each municipality may use the Vulnerable Population Registry list in a different way, based on their local recovery effort.

Who should register?

You should register in the Vulnerable Population Registry if you elect to stay at home during an emergency and have a disability, frailty or health issue that would make you vulnerable in an emergency. If you live in an evacuation zone, you should plan to evacuate (see Shelter information on back). Registration does not guarantee that you will be provided services or placed on a priority list for emergency responders. However, it will help your community be better prepared to respond.

How do I register?

The easiest way to register is online at **Broward.org/Atrisk**. You can register yourself, or a family member or caregiver can register for you, if you authorize them to do so. If you don't have access to a computer, you can also register by calling your city's emergency management agency, or the Broward County Call Center at **311** or **954-831-4000 (TTY 954-831-3940)**.

Remember...

- Register only once. If you move, or no longer want to be included in the Registry, call your city or the Broward County Call Center to update or delete your registration.
- Registration is not a guarantee that you will be provided services or placed on a priority list for emergency responders, but it will help your city better respond during a recovery effort.
- All information will be held in the strictest confidence as required by State law.

Special Medical Needs Shelters

If you have a medical condition that requires a greater level of care than provided at a General Population Shelter, but you do not require hospitalization or a medical institution, a Special Needs Shelter may be appropriate for you. These shelters offer basic medical assistance and monitoring. Pre-registration for the Special Needs Shelter is open throughout the year, and requires your physician's involvement. To request or obtain an application for a Special Needs Shelter, call Broward County Human Services at **954-357-6385 (TTY 954-357-5608)**. Pre-registration is strongly encouraged to ensure the shelter will be adequately prepared to meet your needs.

1,000 copies of this public document were promulgated at a gross cost of $250, and $.250, per copy to inform the public about emergency preparedness.
