954 424 9622

Learn about the multi-billion dollar industry.
Meet the people who help prevent the problem or help the victims.

KidSafe Women in Distress Salvation Army

Find out how you can help.

July 14, 2014 – "Every country in the world is affected by human trafficking whether as a country of origin, transit or destination for victims. With annual profits as high as \$36 billion per year, it ranks as the world's third most profitable crime after illicit drug and arms trafficking." John William Ashe, President, UN General Assembly
