

WHO IS READING YOUR WATER METER?

Bermex, Inc., is the contractor for meter reading in Weston

As of October 27, 2010, the contractor for meter reading service is Bermex, Inc. In addition to Weston, Bermex currently provides meter reading services to Fort Lauderdale, Deerfield Beach and Davie. Bermex field personnel are required to carry a photo ID badge and wear a complete uniform.

Water meters are important to a utility for several reasons:

1. They make it possible to charge customers in proportion to the amount of water they use.
2. They allow the system to demonstrate accountability.
3. They are fair for all customers because they record specific usage.
4. They encourage customers to conserve water (especially as compared to flat rates).
5. They allow a utility system to monitor the volume of finished water it puts out.
6. They aid in the detection of leaks and waterline breaks in the distribution system.
